Re: ***Notice of Ex Parte Presentation; Wireless E911 Location Accuracy Requirements, PS***
Docket No. 07-114; Revision of the Commission's Rules to Ensure Compatibility with
Enhanced 911 Emergency Calling Systems, CC Docket No. 94-102

Dear Ms. Dortch:

Michael Amarosa of TruePosition, Inc. and the undersigned of Willkie Farr & Gallagher LLP met with Wayne Leighton, Special Advisor to Commissioner Tate, on October 10, 2008 to discuss the above-referenced proceeding. Consistent with TruePosition's previous filings in this docket, Mr. Amarosa expressed TruePosition's support for acting promptly to improve wireless E911 location accuracy standards.

Please direct any questions to the undersigned.

Respectfully submitted,

/s/ Daniel K. Alvarez
